The Adventure of Living and Learning Together

GRADE 5 - GRADE 12

ABOUT US

At TISB our boarders are at the heart of the school and our thriving boarding community of over 300 students is testament to our success.

It's not an easy decision to make, but with many of our boarder families choosing TISB on the strength of personal recommendation from past and current students, we know we can offer a positive and safe boarding experience both for boarders and their parents. It's a wonderful opportunity for any child to reach their potential, grow in independence and confidence and make friends and memories that will last a lifetime.

Pastoral care and development of leadership is key to success of boarding at TISB. Our pastoral care in the boarding houses at TISB is underpinned by the philosophy that each and every child should be given bespoke individual care. We achieve this by having dedicated boarding staff, student Heads of Houses, our on-campus medical staff and school counsellors.
